

A Special **THANK YOU**

The Kendall County Health Department would like to thank Board of Health President, Christina Cooper and her family for the generous donation of a vehicle.

This vehicle will be donated to an eligible Kendall County resident in need of transportation in order maintain self-sufficiency during a difficult time. These types of gifts are life changing and we are so very grateful to her and her family for this gift.

For more information on our *Drive to Success* program, please call (630)553-9100.
