

# Joint Public Service Announcement

Date: 05.12.2020

Contact: RaeAnn VanGundy (630) 553.8064

**Kendall County**  
ILLINOIS

The Kendall County Health Department (KCHD) is saddened to report 4 deaths, two males in their 50-60s and two females in their 60-80s, all of which had health complexity. We wish peace and comfort for their families. As of today, we have 467 cases of coronavirus (COVID19), 241 in-recovery and 20 deaths.

## Mask Makers *Making A Difference*

Together, the Kendall County Board and the Health Department would like to acknowledge mask makers. This generous activity of making fabric masks for local community members is a wonderful way of paying it forward during this world pandemic. All masks are:

- ◆ Made from donated supplies
- ◆ Requests are filled in priority order
- ◆ Masks are provided at no cost

Mask makers create these fabric face coverings to fulfill steady community requests. Currently, needed supplies include:

- ⇒ seamless t-shirts
- ⇒ cotton fabric
- ⇒ cotton or cotton-blend sheets

If you would like to provide fabric from your home, you can contact Yorkville Area Mask Makers on Facebook, or other mask makers with similar needs.

*We must stay safe and healthy, together we will get through this challenging time.*
