### **Public Health Officials Announce 614 New Confirmed Cases of Coronavirus Disease**

**SPRINGFIELD** – The Illinois Department of Public Health (IDPH) today announced 614 new confirmed cases of coronavirus disease (COVID-19) in Illinois, including 6 additional confirmed deaths.

- Champaign County: 1 female 70s, 1 male 80s
- Cook County: 2 male 60s, 1 female 80s
- DeKalb County: 1 female 90

Currently, IDPH is reporting a total of 147,865 cases, including 7,026 deaths, in 102 counties in Illinois. The age of cases ranges from younger than one to older than 100 years. Within the past 24 hours, laboratories have reported 21,134 specimens for a total of 1,782,840. The preliminary seven-day statewide positivity for cases as a percent of total test from June 29 –July 5 is 2.6%.

Following guidance from the Centers for Disease Control and Prevention, IDPH is now reporting both confirmed and probable cases and deaths on its [website](#). Reporting probable cases will help show the potential burden of COVID-19 illness and efficacy of population-based non-pharmaceutical interventions. See [CDC definition](#) of a probable case on its website. IDPH will update these data once a week.

\*All data are provisional and will change. In order to rapidly report COVID-19 information to the public, data are being reported in real-time. Information is constantly being entered into an electronic system and the number of cases and deaths can change as additional information is gathered. For health questions about COVID-19, call the hotline at 1-800-889-3931 or email [dph.sick@illinois.gov](mailto:dph.sick@illinois.gov).
